\$1,695,000

Tucked away in a quiet laneway-like street, less than 10mins walk from Redfern's vibrant cafes, bar scene and the station, this solid brick loft terrace (c1900) is brimming with timeless character and updated where it matters most including the kitchen and bathroom. It offers the work from home flexibility of a full size study on the middle level with the second bedroom, and this leads up to a generous master on the top floor. Also featuring a charming courtyard space at the rear, the home is ready to live in now and ideally suited to buyers looking to enjoy easy living in a vibrant location within walking distance of the CBD.- Fresh paint throughout, timber floors, good ceiling heights- Open living and dining areas each with ornamental fireplace- Skylit galley-style kitchen has good storage and gas cooking- Modern bathroom with shower/bath and the laundry area- Two bedrooms including loft retreat plus study with built-ins- Under stair and eave storage, sandstone-flagged courtyard- Stroll shops and restaurants, Prince Alfred Park and transport
