New to market is this modern 4-bedroom home. Situated in a quiet part of Springsure, which overlooks the hustle and bustle with gorgeous views of the surrounding township. Upon entry, you are greeted with immaculate hardwood floors and an open plan kitchen and dining which is accompanied by a large decking area perfect for entertaining. The deck area also features beautiful sliding doors to let the cool night breeze flow in through the house. This home has split systems featured throughout allowing for temperature control all year round. The master bedroom features a large built in wardrobe with ensuite, and three other large sized rooms with built in robes. The main bathroom has a nice sized bath to soak and relax in with the added bonus of plenty of storage space for the whole family. The additional features of this home include a well sized laundry with storage and easy access to the outside, a large linen closet and a colour bond fence in the back yard to allow for that little bit of extra privacy. The outside includes low maintenance garden beds ready for your next project and a garden shed perfect to house all your gardening tools. Parking is provided via the stone chip driveway into the undercover carport. This home is perfect for the growing family or investor, and is sure to be snapped up quickly.
