**\$125,000**

Rare vacant building block located in the heart of the friendly village of Forest. Easy walking distance to local shop, footy ground, tennis court and primary school. All basically level with a generous area of approx 1406m<sup>2</sup>. Fertile basalt soils that the Forest area is re known for, perfect for the avid gardener. Nice outlook over a small lake and rolling farmland. Only a few mins drive to beaches and the historic township of Stanley. A very pleasant place to build your dream home (STCA).
