Love looking out to the city skyline and basking in the northern sun in this brilliant 2 bedroom 5th floor security apartment. An urban hideaway on the edge of Chapel Street, this radiant apartment has a genuine entry hall with good storage, an open and airy living and dining area extending onto the sun drenched balcony, a stylish corner kitchen with stainless steel appliances, 2 good size bedrooms (built in robes) and a dapper bathroom with laundry facilities. Enjoying a spark of entertaining class with the everchanging outlook to dream the days away, this fabulous apartment is complete with quality blinds, reverse cycle air conditioning and lift access to secure basement parking. Just around the corner from Jam Factory in this quiet street, excitingly close to vogue boutiques, cultured cafes, cosmopolitan restaurants, a humming nightlife, tram links and urban parks.
