\$720.00 p/w

Situated in the heart of Collingwood lies a development with sustainability at its core, with seven star energy rating. Apartment 501 features a timber veneer kitchen with Miele Appliance with four burner gas cooktop and electric oven, and dish draw dishwasher. Accompanied by a stunning fully tiled bathroom, ensuite and European laundry enclosed with a veneer door. With an open air entrance, hydronic heating, ceiling fans to living and both bedroom and timber flooring throughout, this is an apartment not to be missed. A large bicycle room is located in the basement along with a storage cage and a car park (stacker.) Intercom and video security and a roof top common area on level 4 with built in BBQ and wonderful landscaping and views.
