\$1,500,000 - \$1,600,000

Please pre register with the agent to attend the Open for InspectionsIn the heart of Collingwood 501/88 Cambridge Street offers a blend of luxury and convenience. Boasting 3 large bedrooms all with built in robes, 2 master bathrooms plus a powder room with european laundry. 3 car spaces all with storage cages - 2 with secure boxes built within with a generous size of 208sqm Approx.The building was designed by Elenberg Fraser, this unique apartment is 3 apartments combined to make 1, designed by the owners, an artist and a chef. Walking distance to Fitzroy gardens, with Smith Street and Gertrude Street just minutes away, residents have easy access to an array of cafes, bars and restaurants.The Kitchen area is a chef's dream from the Butlers pantry to the huge island bench with all high-end appliances, Bosch, Miele and a large AEG oven. Whether hosting an al fresco dinner on the main balcony or dinner for 12 in the dining room you have stylish and inviting spaces for socialising.Outside, two balconies offer versatile outdoor living spaces, the main balcony enjoys the dappled light filtered by cherry trees for lunch or drinks and the other a private retreat from the main bedroom for quiet relaxation.Additionally, all residents have access to luxurious amenities on level 9 including a rooftop garden, cinema screen, private dining room and BBQ's.
