If you are looking for something truly special your search is over! Available SOON is this beautiful 3 bedroom executive furnished apartment with the perfect aspect for summer and winter as well as views wide and expansive over Brisbane, including the Story Bridge, Gateway Bridge, down the Brisbane River and beyond. The spacious open plan living area provides plenty of room to watch the TV from a distance! (not always possible in some narrow apartments) and the large dining area is located conveniently opposite the kitchen, adjacent to the living room to enhance sociability and flow. All bedrooms and bathrooms include either sliding glass doors or windows, allowing a bright and airy feel. Double basins in the ensuite, full-length mirrored wardrobe doors and twin wardrobes in the master bedroom add to the luxury. And the well-planned floor plan allows for separate living - perfect for shared executives. Each main bedroom at either end of the apartment with the 3rd in between enhance privacy. The full-sized laundry with extra bench space is a real bonus for apartment living. Fully ducted air-conditioning throughout is included for your year-long comfort. The dedicated carpark is located close to the lift which makes life easier for example at grocery time. (Although you may well not even need a car as everything is just so close-by!) Living in Admiralty Two truly has its benefits. Split foyers greet residents as you enter one for the lower floors and one for the higher floors and includes various tranquil sitting and reading areas, which flow to the expansive outdoor entertaining terrace providing direct access to the boardwalk and overlooking the River and Story Bridge. Then, on the entertainment level, the indoor heated swimming pool, spa, fully equipped gymnasium, sauna and outdoor rooftop terrace are available for your enjoyment. Also of great value is an indoor Function Room or Meeting Area, for use on a casual drop-in basis or by private booking ensuring all business and pleasure activities are catered for with ease. This is absolutely one property you do not want to miss considering as your next home. Private inspections available day or evening to suit your needs. Don't miss out! Call Donna Conwell NOW!
