Sitting atop one of the most coveted complexes in Forster sits this majestic holiday apartment. If you're looking for coastal living with all the space, all the views and all the comforts, you simply cannot go past this incredible two-bedder. Let's begin with our favourite feature, something that really puts this home in a league of its own. An internal staircase from the living area leads up to an entire, sprawling, private rooftop terrace, with near wraparound views encompassing the ocean and the river. It's breathtaking, and you could spend hours up here! Back on the living level, a long balcony is accessed via sliding glass doors from the living room and both bedrooms. It accentuates the indoor-outdoor feel of the apartment, also offering water views and lots of space to entertain and enjoy the breeze. The open-plan living, dining and kitchen area is air-conditioned and has warm and welcoming timber floors. Although the flow between the areas is seamless, their function is distinct, with the gourmet kitchen sure to be the hub of many a good evening. It has the appliances and facilities to support this, while boasting plenty of workspace and classy cabinetry. The two bedrooms are equal in size, both with ceiling fans and built-in robes. They're serviced by a bathroom with shower, vanity and bathtub, and a powder room with toilet and vanity. There's an internal laundry too, plus a linen cupboard for added storage. It's also worth mentioning the sunroom on the roof terrace level! In a prime central Forster position, this complex is just a minute's walk from Forster Beach. Everything you need is on your doorstep, from the great outdoors to the conveniences of town. Restaurants, cafes, boutique shops, amenities and so much more, all within easy reach! We'd love to tell you more. Get in touch with the JKL team today!
