Located on the foreshore of Lake Jindabyne in the Rydges Horizons complex, unit 502 is a rare ground-floor wheelchair access/disabled accommodating studio, making this a well-sought after and unique opportunity. Only a 30-minute drive to the Ski Resorts and minutes from town centre where you are a stroll away from shops and additional bars and eateries you will be enticed to see what more this property has to offer. Fully furnished, this stunning studio is hard to look past after a day of immersing yourself in the local area. The partitioned-off bedroom gives added privacy and separation from the rest of the studio. The inclusion of a sofa bed in the lounge room allows the apartment to sleep four people in total. With a fully functioning kitchen, and bathroom with laundry facilities, Horizons 502 is a perfect base to explore all that the Snowy Mountains has to offer. The undercover car port is extra wide to accommodate for wheelchair access. Rydges Horizons has a lot to offer: a tennis court, gym, restaurant, an in-door swimming pool and games room ensuring all family members are catered for. Have the chance to generate income while also being able to enjoy the property yourself. 502 Horizons is the holiday home you won't want to miss out.
