Exemplifying a high sustainability rating, this one bedroom apartment provides modern ease seconds to cosmopolitan Sydney Road and Anstey station. Industrial inspired with cutting-edge functionality, it boasts reclaimed timber floors, high exposed concrete ceilings, double glazed windows and external awnings. The bedroom offers built in robes with inbuilt shelving and also has a ceiling fan. The living room is open plan adjoining with the kitchen area which offers induction cooking, ample storage, dishwasher drawer and engineered stone benchtops. The apartment comes with storage cage, intercom and lift access. In addition, this fossil fuel free apartment features hydronic heating, bulk hot water and green power through an embedded network provider. The building has a communal rooftop garden with productive planters, shared BBQ facilities and spaces for residents to enjoy. Conveniently located near new parkland, eateries, bars, CBD trams and shops.
