Located at the junction of High Street and St Kilda Road, this development project is designed by the internationally renowned architectural firm Elenberg Fraser, surrounded by beautiful parks and gardens, and only 4 kilometers from Melbourne CBD. "St Boulevard" seamlessly integrates exquisite luxury design with unparalleled resident facilities. This location is considered one of Melbourne's main arteries, flanked by parks, office spaces, and residential areas, with tram and train access to Melbourne CBD within walking distance. Upon entering the room, you will find an open-plan living and dining space equipped with high-end kitchen appliances, excellent storage spaces, and spacious island countertops. The spacious master bedroom is connected to a walk-in wardrobe, and through the wardrobe, you will find a spacious shower room and a European-style laundry. A desk next to the living room provides a comfortable home office space. At St Boulevard, you can enjoy unforgettable resort-style facilities, including a private dining room, bar, sunken fireplace, reading room, cinema, and state-of-the-art gym. Entertainment options also include private dining rooms with full kitchens and a karaoke room.
