Quality, space and contemporary design are all showcased in this deluxe three-bedroom apartment where light-filled interiors feature sleek finishes and a great sense of privacy. Quietly set within the architectural Loftus Lane building, it offers a smart inner-city home with a fresh and easy floorplan, lots of natural light and vibrant city views through to the Harbour Bridge. This is the perfect fit for those looking for a property that's high in style, low in maintenance and ideally positioned a lift ride away from the city's best theatres, upscale restaurants, shops, nightspots and harbourside cafés. • Positioned within 200m to harbour foreshore around Circular Quay • A superb design by the award-winning architects at Silvester Fuller • Large north-facing windows frame elevated outlooks to the bridge • Generous open layout, high ceilings and engineered timber floors • A sundrenched covered balcony flows easily off the living space • Three bedrooms all have built-ins, the main has a deluxe ensuite • A quality stone kitchen, modern bathroom and internal laundry • Security car space plus a lock-up storage cage in the basement • Ducted air-conditioning, lift access and video intercom entrance • Walking distance to the Opera House, The Rocks and Botanic Gardens
