This remarkable apartment, nestled within the prestigious "Ashton Hill" complex constructed in 2019, exudes sophistication with high-end finishes and an expansive sense of space. Facing north, the proportions of this residence are truly remarkable, complemented by an outstanding floor plan. The apartment features a spacious study, in addition to a generous balcony, secure parking, and extra storage, enhancing your overall living experience. Immerse yourself in the ultimate lifestyle, just steps away from local transportation options, the vibrant village atmosphere, and esteemed schools. This residence not only offers luxurious living but also provides a perfect blend of convenience and contemporary elegance, complete with a dedicated study space for your work and creativity. Offering: + Impressive high ceilings and elegant engineered flooring throughout + Spacious open-plan living and dining area, perfect for entertaining + Gourmet Miele gas kitchen with a superb stone island, adding a touch of sophistication + Two large bedrooms, each equipped with built-in robes for ample storage + Stylish main bathroom, ensuite for added convenience, and a discreet hidden laundry area + Secure parking space and a designated storage cage for your belongings + Convenient study, ideal for a home office or creative space
