Live the high life in this stylish designer apartment with views centred on the city skyline serving as a dramatic backdrop to its streamlined interiors. A collaboration between Architects Becerra and Henley Constructions, the oversized two-bedroom apartment holds a prized north-east corner position in Aperture Apartments with every room capturing wide district views that sweep over the rooftops. Northerly sunshine streams into the apartment with a wraparound balcony creating a natural extension of the living space while sophisticated interiors feature finishes in stone and timber delivering a homely feel. On the edge of the buzzing heart of Marrickville, Aperture is just around the corner from the train station and Illawarra Road's multi-cultural eat street. Grab a coffee from Cornersmith, soak up the leafy serenity in neighbouring McNeilly Park or explore the live music and dining scene of the cultural heart of the Inner West where coffee and craft beer are the staples of this community minded suburb. ● Purchased off the plan, one of the best positions in the block • North-east corner on level 5 of Block A, easy level lift access • 2 double bedrooms with built-in robes and plush carpeting • Main bedroom featuring city views and a designer ensuite • Caesarstone kitchen in White Attica, waterfall island bench. Integrated Smeg appliances, gas cooktop, Blum cabinetry. Glass-fronted living and dining, sustainable bamboo flooring. North facing wraparound balcony with views to the city skyline. 2 stylishly appointed bathrooms and a separate internal laundry. Ducted air for year-round comfort and only one common wall. undercover parking, video intercom, secure bike storage • Connected and convenient village setting, footsteps to the station • Stroll to parks, eat streets, small bars and organic food markets
