In the landmark Kubix development directly opposite Knox City, this 2 bedroom apartment offers a perfect low maintenance lifestyle for a couple on the go or a savvy investor who recognizes quality. In a building with security entry and lift access to all levels, this 5th floor apartment features an open living/dining area with split system heater/air conditioner, a covered balcony and a beautiful all-white kitchen with stone benches and all stainless appliances. Both bedrooms features built in wardrobes and there are 2 bathrooms that are both impressively finished. You also have a designated car space and storage cage in the secure multi-level basement garage and access to the residents only gym and pool located in building 3. With all the shopping and entertainment you need directly across the road you are well cared for while buses, walking tracks, and Swinburne Institute are also close by.
