This newly surveyed and subdivided block is located almost at the end of Cameron Creek Road. It has great out look to the surrounding bushlands and mountains for enjoyment of peace and quiet with mostly local traffic driving past. The property is fully fenced and has a cleared area for a building site. The property has roughly 90 established Mohogany trees approx 10 years old that with age are potentially worth lots of money, or good for personal use. Approximately 2 acres around the boundary have improves pastures and been cleared. Power runs past the block and Council plans to seal the road in the near future.
