What our owners love: We love this peaceful natural environment nestled amongst the trees. The fact that we can blast out to Jibbon & The National Park in our boat via our swing mooring out the front without the hassle of lining up at the boat ramp due to our waterfront access is the best! We have all this, but we are still close enough to the Cronulla/Caringbah vibe when we feel the need. When looking at properties it's important to have confidence in how much you can borrow.
