Forty Four hectares (100+ acres) of farming land with absolutely stunning views of Lake Cairn Curran and the distant Pyrenees Ranges. Offering mains power on the property and a current planning permit will be provided. There is a stock and domestic water right and concrete storage tanks. The fertile land has great potential for numerous uses and has good boundary fencing – currently being used for sheep grazing. Situated midway between the townships of Maldon and Newstead, only minutes drive for availability of their excellent amenities and services. The Lake frontage is utilised for boating, fishing and swimming. ALL INSPECTIONS BY APPOINTMENT ONLY
