Instantly recognisable thanks to its spectacular curvilinear facade, the Gem residential building offers a lifestyle beyond compare - and this stunning two-bedroom, two-bathroom apartment with both city skyline and bay views is your chance to enjoy everything it has to offer. Originally designed as a three-bedroom, the apartment has an extended, spacious living and dining area. Filled with abundant natural sunlight and warmth thanks to vast expanses of floor-to-ceiling glass, the apartment's open-plan living and dining zone is a space you will be eager to share with family and friends. Wrapping around the exterior of the apartment, a huge balcony allows you to soak up your incredible and enviable surroundings in the open air. Prestige appliances star in the impressive gourmet kitchen which is centered around an entertainer's island and boasts substantial storage, including a large walk-in pantry. Wardrobes feature in both of the generous bedrooms. The master has the luxury of its own designer ensuite while an equally stylish main bathroom services the remainder of the home. Finished to an exacting standard and brimming with highlights, among the standout inclusions are heating/cooling - including split systems in both bedrooms - along with a European-style laundry, built-in bookshelves in living area, secure entry, two secure parking spaces and two storage cages. There is also a residents' gym on site and the apartment is close to the station, beach, Nelson Place and parklands.
