This amazing property offers a Bayside lifestyle with serious benefits! Situated in Island Park Gardens which is a secure, well maintained, gated community, with on-site management, pool and BBQ facilities. Located on Cleveland's eastern shore just minutes to the waterfront, and the Ferry terminals which offer access to the islands of Moreton Bay.. a wonderful experience not to be missed. Unit 51 is a spacious, free flowing open plan home, with generous living and dining areas, lots of natural light provided by its many windows and a great cathedral window over the landing which provides great natural light. A fantastic solar setup eliminates your power bill. Add to that, low Body Corp fees and rates, this is a real bonus in these times of escalating costs. The upper level is comprised of 3 bedrooms, a generous master with ensuite and balcony adjoining, and bathroom and toilet. The residence enjoys an end position adjoining a green space. Afternoon sun in the outdoor courtyard area...which is a great space for entertaining. Conveniently 5 minutes to Cleveland's CBD and the Raby Bay Harbour Precinct with its plethora of fine dining and eateries, and the Rail transit station. Local clubs and sporting facilities are just a short stroll away, and opposite the complex is a wonderful park to enjoy outdoor activities or simply walk the pooch..
