ALL SIX LOTS SOLD Directly abutting the sprawling open landscape of the Green Wedge to the north and moments from local shops, the railway station, and services, your dream home in a spectacular location can soon be a reality. Perfectly located within walking distance to shops, railway station, parks and open space, and conveniently located a short drive to both the Mornington Peninsula freeway and Moorooduc Highway, these properties present the ideal gateway to the very best that the Mornington Peninsula has to offer. At 674m²*, you'll have plenty of space to build your dream home with room to spare, with the added benefit that you don't have to worry about a planning permit to construct one dwelling on your block - meaning your dream home can become a reality sooner**. Don't miss your opportunity to secure the rare chance to build your dream home on the Mornington Peninsula. Register your interest today. *site dimensions are approximate. **while planning permission is not required, building permits and other approvals may be required. Talk to your builder to confirm the relevant requirements before making a decision.
