Looking for a move in ready, tidy family home? This could be the one for you! Freshly painted throughout and featuring a well-appointed lounge with carpet, air conditioning and lights that can be adjusted (to create that special mood). The modular kitchen has plenty of storage space as well as a split oven/stove combo. Each of the three bedrooms contain built in robes, 2 are carpeted, and the third has floating timber floors. There is a combination of air conditioners and evaporative cooling in the house, perfect for those dry hot summers, and both wired internet and tv points to every room. The laundry is tucked away at the back of the home, and is tiled with plenty of storage space, and secure key safe. A garden shed, handy for all those tools, and solar panels are just some of the extra features this home boasts. And with the private side yard hosting a generously sized entertainment area, with shade cloth. Please note this property comes unfurnished. Please note the property must be inspected by you or somebody on your behalf before an application will be processed. When applying for a rental through our application portal, it is not essential for you to pay for a tenancy database check for your application to be processed, neither will it adversely affect the outcome of your application. Please select "no thanks I do not wish to verify my identity" and proceed as normal with your application.
