For Sale

Prepare to be impressed by the sheer scale of this unique home. Occupying a sprawling 1482m² block with an extraordinary 47-metre frontage, this property, has been transformed into a stylish and spacious home, that's situated in a beautiful and highly sought after lifestyle location. A timber walkway over tropical gardens leads to the front door. The open plan lounge, dining room and kitchen is an astonishing space of enormous proportions. It has soaring ceilings and quality hardwood timber floors – a gas fireplace to one end is a cosy spot to curl up on cool winter days. Bi-fold doors open onto a very spacious, north-facing deck that enjoys a leafy and tranquil outlook – this is a wonderful indoor/outdoor living zone that's equally perfect for everyday living or large scale entertaining. In the kitchen, an expansive stone topped island bench offers plenty of room for food preparation or quick meals. There are stainless steel appliances, a Miele induction cooktop and plenty of storage in the walk-in pantry. The home has four bedrooms; the Master is located to one end and is luxuriously large. It has a walk-in robe and an ensuite with twin vanities and a huge double shower. A generously sized home office with integrated storage makes this entire wing an impressive Master retreat. At the opposite end of the home there are another three large bedrooms, each with built-in cupboards. They share the stylish main bathroom and there is a study area that's perfect for homework. This offers a practical separation of spaces and is a great layout for busy family life. On the lower level there is an enormous rumpus; whether it's used for playing music, watching movies or hosting a party, this versatile room will be loved by family members of all ages. There is also an undercover area with timber decking, a laundry which includes a third powder room and a huge storage room. The home has ducted a/c throughout and a near new roof with double insulation to help with climate control. There are 75,000 litre water tanks and a 15kw solar system keeps energy costs low. The property is fully fenced and there's plenty of room for children or pets to play. The location is close to the shops, cafes and convenience stores of Paddington and Bardon. It's a short stroll to beautiful Bowman Park, Bardon Community Kindy, Bardon State School and St Josephs Primary. There are regular bus services and it's only 5km to the CBD. Buyers looking for a large home on a massive block in a family friendly location will find it hard to get better than this.
