Grace, space and solid-brick substance, this off-Centre Road opportunity is ready to make history! An increasingly rare find at a prized address, this well-kept Californian Bungalow offers legendary potential with two well-placed bedrooms, grand separate lounge and dining rooms, and a kitchen and dining area opened up into a sizeable open-plan. Upgraded for today with a modern kitchen and a light bright bathroom, this super-solid home is ready to embrace tomorrow with a second WC and laundry area (providing additional plumbing where it's likely to be wanted most in the future), a deep two-to-three car garage (perfect to convert or incorporate in a future extension) and an approx 595sqm of afternoon-sun filled land (to grow a family)! Rich with yesterday's detail including lofty strapped ceilings, lovely leadlight and a fine timber fireplace, there's all the substance and space of yesterday, and all the solid-brick construction and gracious proportions to build on tomorrow. Surrounded by the similarly substantial period homes of this historic Centre Rd locale, this is a location to look to the future within 250m of the shopping strip, a stroll to the station and Patterson Village, and in-Zone for both Brighton Secondary College and Bentleigh West Primary School.
