OFFERS IN THE LOW MILLIONS

Embrace next-level, solar passive country living on this superior-appointed property nestled off a quiet peppy tree-lined country road just a short drive from Albany and Denmark and beautiful beaches in between. Ideal for families to ex-farmers, tradies, caravanners, boaties and truck owners, it has been well-planned from the dual electronic gated access, with intercom, to the fashionable family home, deluxe outdoor living, 6.5kw solar system and excellent sheds, water sources, security system, external lighting, and more. All the infrastructure is in place to pursue whatever you want. The tradie dream high-span, five-bay shed is plumbed and powered, includes a winch and an office/storeroom, and adjoins a big double carport and huge hardstand area. Other key features include more shed space and a bore, dam, rainwater tanks, automatic watering stations and a paddock, security system, well-lit grounds and the list goes on. Get that pony the kids have been nagging you about and go self-sufficient and grow your own produce. The superbly-designed and appointed home has scenic country vistas and includes a dual access studio, office, work base or fourth bedroom. The impressive galley kitchen and living and dining area flows to a vast enclosable deck, with an outdoor kitchen and sunken spa. Grab the champers and enjoy a little rural luxe relaxation. Other top selling points include the beautiful deck access master, with walk-in robe and high-spec ensuite, and superb family wing bedroom robes, laundry storage and bathroom. Relish rural living at its best. For more detailed information or to arrange a private viewing please contact Kathleen Mier on 0439 421 059 or Natalie Cameron on 0416 416 822
