Boasting great kerb appeal the landscaped gardens can quickly be transformed back to their former glory. The home is setback from the street providing the new owner with plenty of off-street parking.

As you walk toward the home you are greeted by the front foyer which sets the scene for the home and provides an ideal location for a morning coffee or an afternoon refreshment. Once inside the home you will immediately feel the warmth and charm of a bygone era. The kitchen space is large and very practical, maximising your opportunity to create a striking new kitchen which is always the heart of any home. The 70's open fire place is the centrepiece of the inviting lounge room and from here you look out onto the alfresco area and majestic in-ground pool.

Also in this section of the home are the elegantly designed second bedroom and the exquisite master bedroom featuring a plethora of storage space and a tranquil outlook to both the in-ground pool and the fabulous internal courtyard. The captivating main bathroom is a must see and features a sunken bath which once again provides you the perfect space to create something really, really special.

An undercover breezeway takes you through to the striking internal courtyard which is an ideal space to relax and unwind. This area also features the games room complete with bar. The spacious third bedroom is also located in this space which would be a perfect teenagers retreat. This area is serviced by the second bathroom and is impressively finished off with the alluring spa-room.

The backyard could once again be easily transformed back to its former glory and provides the new owner with ample space for children and pets to play, a majestic in-ground pool and fabulous al-fresco entertaining area.
