Location, house and pricing! If these are important then 51 Green Lea Crescent ticks all the boxes. An ideal first home buyers or downsizers home, recently benefiting from refurbishment to include carpets and tiled areas. The property also benefits from an internal paint and air conditioner. A big bonus the bathrooms and laundry have been updated recently to a high standard, so nothing to spend there. The property is spacious with an option of 4 bedrooms or 3 bedrooms with a family or rumpus area, the choice is yours. Being a single story brick home on a level 699m² block of land with a single garage and carport in an excellent location we recommend an inspection sooner rather than later.
