Lifestyle and location! This immaculate three bedroom, two bathroom townhouse is an outstanding example of contemporary excellence. The well-presented interior includes spacious dual living zones and bright central dining and living areas. An open-plan kitchen with stone benches, a walk-in pantry and stainless steel gas cooktop and appliances also tell a quality story. Three light filled upstairs bedrooms with built in robes have access to a central bathroom. The master bedroom is serviced by walk-in robes and ensuite, creating total comfort and privacy. The additional appeal of reverse cycle heating/cooling units, a downstairs laundry, separate powder room and a low maintenance private courtyard further enhance this well rounded home. A central location, move-in ready status and no body corporate fees makes this property appealing to home owners and investors alike. Close to Scovell Reserve, Footscray North Primary School and Gordon Street tram routes towards both Highpoint and the city makes a perfect home for young, growing families and professionals looking for a comfortable and convenient home.
