Located in Central Bongaree in Kangaroo Avenue. Beautifully renovated and presented throughout and close to transport as well as local shopping. 3 bedroom home with open plan living opening out onto front and rear balconies. 12+ watts of solar on the newly pointed roof, and gas hot water for efficiency. Want a workshop?? Massive workshop area + utility room at rear with its own toilet, shower and kitchenette. Split A/C units both in the home and utility room. The property is fully fenced and also boasts a rainwater tank at the rear, and side access through double gates at the front. Nothing to do with this one but just enjoy.
