Escape the hustle and bustle of city living and indulge in the serene beauty of this custom-built, quality home. Nestled on approx 2.7 acres of serenity, this property offers a rare opportunity to experience a luxurious lifestyle, just a few minutes from Strathalbyn. Step inside and you'll immediately recognise the grand proportions of the home - you're greeted by the first of three oversized living areas and 9ft ceilings. Each of the bedrooms have garden views and walk-in robes. There is also a study or alternatively the 5th bedroom. The master bedroom is a haven of tranquillity, featuring a deluxe ensuite and a spacious walk-in robe. The heart of this home lies in its open plan kitchen, dining, and family room. The kitchen is a showstopper, with stone benchtops and modern elegance, complemented by European appliances and an oversized pantry. The open plan living and meals space is a testament to exquisite design, flooded with natural light through large picture windows. Versatility is key in this home, with three spacious living zones, there is room for all your living needs. There are also multiple outdoor entertaining areas, seamlessly blending indoor and outdoor living. Step outside and embrace the vast possibilities of this land (currently home to a few alpacas and chickens, a productive fruit orchard and a mix of native and ornamental gardens) whether it's revelling in uninterrupted views of the natural landscape or creating your own sporting haven. Imagine a tennis court, swimming pool, or even horse facilities, all subject to consents. The choice is yours! With mains water and approximately 98,000L rainwater, you'll never have to worry about a shortage. The property also boasts a large shed and a significant solar system, so the electricity bills should be minimal! Make this extraordinary property your sanctuary and elevate your living experience to new heights.
