Prepare to be enchanted from the moment you step through the secure gated entrance of this charming four-bedroom home. Ideally located in Hampton Park, this property offers convenience with its proximity to primary and high schools, shops, and public transport. As soon as you enter, you'll be impressed by the spaciousness and practicality of this well-maintained family residence. The inviting formal lounge effortlessly flows into the dining room, complete with a built-in TV stand. The hostess kitchen is perfectly positioned next to the family meals area and features stainless steel gas appliances, a dishwasher, and ample cupboard space. With four bedrooms in total, including a master bedroom with a walk-in robe and the remaining bedrooms featuring built-in robes, this home also boasts an exquisite semi-en-suite bathroom. One of the rooms even has direct access to the expansive pergola area - an ideal spot for hosting family gatherings. Additional features of this beautiful home include ducted heating throughout, split system cooling for year-round comfort, an alarm system for added security, roller shutters for privacy and energy efficiency, downlights to create ambiance throughout the home, and a double remote garage for secure parking. Don't miss out on this rare opportunity to own such an exceptional property in an unbeatable location - come and inspect today!
