\$680,000 - \$730,000

Discover a comforting and convenient way of life in this spacious 4-bedroom home, featuring two vast living areas and a seamless fusion between its indoor and outdoor spaces. The allure of contemporary comforts in a family-centric setting offers an ideal blend of convenience and tranquillity, setting a marvellous stage for the first-time buyer, family, or investor. Manicured gardens and a contemporary facade give an immediate sense of home as its spacious layout delivers a light-filled family and meals area, separate from a generous rumpus/kids retreat, all anchored by the stylish stone kitchen with gas cooking and a dishwasher. Sliding doors open to reveal a private and covered alfresco area and easy-care yard, showcasing an ideal environment for alfresco dining or relaxation. The four bedrooms accentuate comfort further, including a generous main bedroom with a fitted walk-through wardrobe and ensuite, while a central bathroom and separate toilet service the rest of the home. Catering to practical needs with a fitted laundry, ducted heating, alarm system, security cameras, solar power, and a double lock-up garage, it sits in a neighbourhood rich in natural beauty and convenient amenities, just moments from Creekside Park, Ramlegh Park Primary School, shopping amenities and easy freeway access.
