If you're looking for a ready-to-move-in home surrounded by peace and quiet, check out this property. Whether you're looking for a tropical garden retreat, a tastefully renovated 2-bedroom home in a tucked-away location, or a maintenance-free home or investment, this property has something for everyone. It is an absolute gem of a property and the perfect cottage to take you away from the hustle of everyday existence. Hidden away near the end of a no-through road, with no neighbours front or back, this property sits on 2 lots, giving you over half an acre of land. It is only a short 2-3-minute drive into the heart of Mount Morgan, but it feels so far away from it all. This well-proportioned home features beautiful timber cupboards and benches with a stunning mirror-like finish. The timber detailing complements the sleek, modern lines, with hints of heritage features throughout the house. Enjoy nature and the views from both the front and back verandas, with the added advantage of solar power. Pick produce from your own mature fruit and nut trees. Enjoy gardens with native, tropical, and subtropical plants, which host a wide assortment of native fauna. There is also a bore and garden shed for your gardening needs. It is only 30 minutes to Rockhampton and 45 to the regional airport, flying north and south. Gracemere's Shopping Centre is under 30 minutes away, with Woolies delivering Mon-Thurs and the Chemist delivering Tues and Friday.
