Quamby Bluff and the Western Tiers are the stunning mountain ranges Deloraine and the Meander Valley are built around, and this property captures the beauty of this natural masterpiece in stunning views right from the living room. Take in the beauty of the rolling farm land that surrounds or enjoy a short walk to the main town centre of Deloraine, making life convenient and easy. This immaculately maintained townhouse features fashionable suburban 1980's exposed brick archways that adds a unique touch to its funky design. Upon entering, this property feels fresh with new carpets underfoot, freshly painted walls and new window blinds throughout and is ready to be a home. The living room is the heart of the home, this leads to the functional kitchen that boasts a large pantry, brand new oven, and serving space for entertaining guests. Offering 2 bedrooms with spacious built-in robes and a separate toilet with double access to the bathroom and laundry/mud room area. Stay comfortable year round with electric heating and cooling. The landscaped courtyard at the rear features retained garden beds, perfect for planting vegetables or flowers, and provides a peaceful spot to relax and soak up the sunshine. Additional features include a lockable single garage and garden shed for storage.
