Nestled on an 809m<sup>2</sup> corner block with two street access this property provides plenty of options for either growing families or shrewd investors looking to increase their returns and add a granny flat. Stepping in from the shady verandah this comfortable home offers an airconditioned living room and three well sized bedrooms with a built-in robe to the main. The modernised kitchen retains its rustic country feel with timber featuring heavily throughout the styling of not just the kitchen but also the bathroom too. At the rear of the home there is a large tiled sunroom for entertaining or just extra space for the kids to play under cover. Heading outside there is an under cover area for relaxing and an oversized garage with workshop plus carport all set on a fully fenced block. An affordable home for anyone starting out or a great investment property with excellent tenants keen to stay.
