The look is classic, Victorian; the luxury is vibrant, contemporary – this fabulous free-standing home brings the best of period and present day together to form an irresistible partnership in a brilliant Prahran position. A sitting room that retains an original fireplace enjoys a zone of its own, entirely separate from the rear living/dining domain where an open-plan kitchen delivers designer style while glass doors and clever café windows create inviting links to the courtyard backdrop. Two bedrooms and two bathrooms including an upstairs main bedroom with built-in robes and an ensuite reflect the success of a renovation that matches excellence to elegance and offers refined ‘move in readiness’ throughout. Walk to Victoria Gardens, Princes Gardens and the Prahran pool, catch High Street trams and make the most of Prahran Market and Chapel Street from this compelling cottage.
