Originally built in 1960 this 3 bed solid brick home sits on a huge 830sqm (approx.) of near level land. High ceilings over polished timber flooring feature throughout most of the home. The generous sized bedrooms each feature built in robes and are located away from the living area for great privacy. Roller shutters over key windows help with controlling daytime light as well as adding security all round. The updated kitchen, dining room and lounge area are well connected creating an excellent open living space. A double sink, gas cooktop, brand new dishwasher plus loads of preparation area and storage space in the kitchen help make entertaining a breeze. Laundry has also been updated while the home's bathroom is perfectly functional and allows a spot to add your personal touch. Out back there is shedding and storage galore as well as enough room for a pool, trampoline and a cricket pitch. A neat well organised garden surrounds the lawn with just enough area to exercise your green thumb but not spend the whole weekend. Vehicle storage is also excellent with loads of space for a caravan, boat, trailer and multiple cars. The front garden is well hidden behind a large solid brick wall out front that helps with privacy as well as adding yet more security. All round a great package for anyone looking for a large block solid brick home that would make a perfect live in option or an excellent investment. Not going for auction and priced to sell this home won't be on the market for long, for any questions feel free to call Nick anytime.
