Rising up 237 meters into the sky at the northern gateway to the CBD at 160-168 Victoria Street, Carlton, Swanston Central needs to be seen to be believed. Externally it reflects the beauty and brilliance of Melbourne skyline with its vertical grid of pink, silver and green hues whilst internally the floor to ceiling windows provides residents with an impressive unimpeded outlook. Spacious floorplan, 2 bedrooms with 2 bathrooms gives you enough living space. Modern and sleek wooden floorboards extend to the living area, euro appliances and easy-maintain bathroom make your city-living easier. You could appreciate the uninterrupted stunning Melbourne City view while you are cooking or entertaining your friends over drinks. Located directly amongst the RMIT University precinct, YOU will be able to enjoy the best the city has to offer with direct access to all the finest restaurants, cafes, boutique shopping and entertainment precincts as well as all of the quirky and grungy bars that litter the northern quarter of the CBD. Swanston Central is diagonally opposite the Queen Victoria Market, culture bubbles around the impressive building that provides a luxurious modern lifestyle option next to some of the city's most historic sites. From the State Library to Chinatown, and everything in between, anything a city dweller could want is on the doorstep of Swanston Central. Elizabeth Street trams can effortlessly take residents to the far reaches of the city or a day at the beach for something different which is typically only 20 minutes away via tram. Offering more bicycle spaces than car spaces, the tower's design encourages residents to use public transport, walking and bicycle paths instead of adding extra car-dependent pressure within the CBD, which increases stress and discomfort. Facilities in Level 6 include Window view cabanas A 25-meter lap pool with two spas Cold plunge spa Steam room Yoga room Hanging lounge pods and wellness center This apartment enables you to get access to level 47. Grand dining rooms available for booking by the residents, a cinema and a games room for residents to connect and relax and a skyline bar and lounge with sweeping panoramic city views, acting as a private resident's observatory on level 69.
