A magnificent home on the original Urandaline Estate, this meticulously preserved 5 bedroom + study 2 bathroom c1929 Spanish Mission style residence sits on a spectacular 905sqm approx. of glorious grounds. Sympathetically restored to preserve its rich timber detail, intricate high ceilings, glistening leadlights, carved timber mantles, arched terrazzo porch and deep sills, this impeccable home showcases a distinguished wide entry foyer with timber paneling, an elegant north facing lounge (fireplace), double doors to an enchanting dining room (fireplace) and a beautiful open plan living, dining and sitting area with country style kitchen (Asko dishwasher). The superb main bedroom has walls of robes and is flooded with natural light, while 2 other double bedrooms are serviced by a marble bathroom, separate toilet, a family laundry, and a charming study. The grand staircase leads to two huge attic style bedrooms and a spacious bathroom. Supremely quiet, the park-like gardens enjoy an idyllic slate alfresco area in hedged beauty and a huge deciduous tree with tree swings makes it reminiscent of how family living used to be. A prized property first time offered in over 43 years, this period treasure is perfect with hydronic heating, evaporative cooling, an air conditioner, irrigation system and a slate driveway for abundant parking and a tandem garage with a sun splashed air conditioned studio above. Moments to Caulfield Park, the Racecourse and the Chadstone bus, minutes to Glen Huntly Village, Booran Reserve, the city train, the Hawthorn Road tram and leading schools including Shelford, Caulfield Grammar and Melbourne Grammar's Grimwade House.
