Here is a classic example of a traditional miner's cottage which seamlessly blends the charm of a double-fronted Victorian exterior with modern comforts. The fantastic three-bedroom home radiates a warm, inviting aura, complemented by high ceilings and a fresh coat of paint throughout. Each bedroom comes equipped with built-in robes, offering ample storage. Enjoy the practicality of the newly fitted gas heater and the additional gas log fire, perfect for creating a cozy ambiance during the colder months. For the summer days, the property comes with an efficient split system to ensure your comfort. The heart of this home lies in its updated kitchen. It features a gas cooktop, an electric oven, and a dishwasher, perfect for those who enjoy cooking and entertaining. Outdoors, the property boasts a low-maintenance garden, ideal for enjoying those sunny afternoons. The secure double carport with a roller door ensures your vehicles are off street, with additional lockup storage to cater to your extra needs. Situated on a 505m² block, this property also comes with instant hot water, an essential feature for today's fast-paced lifestyle. Perfectly suited as a solid investment or a potential AirBnB, making it a blend of tradition and convenience, waiting to be your next venture. Don't miss out on this golden opportunity!
