Don't miss the opportunity to own this approx. 2,527 square metre allotment of land on the Trentham - Blackwood Road and to enjoy both the thriving community of Trentham and the lovely hamlet of Newbury. Surrounded by beautiful pastureland and on the doorstep of the Wombat State Forest, this land is the perfect location to build your country escape. With a current Hepburn Shire Planning Permit and endorsed plans in place to build a two-bedroom dwelling, now is the time to realise the perfect weekender or permanent downsize opportunity. Newbury is a mere minutes' drive to all the amenity of the historic township of Trentham, where you can enjoy loads of foodie delights - among them Red Beard Bakery, Mr Peacock wine bar, and the acclaimed Annie Smithers' Du Fermier – galleries, gifts and antique stores.
