This 2 bedroom, 2 living area home would make a great first home or perhaps for those that are downsizing. Neat solid weatherboard with a large shed or man cave. Inside features formal lounge with in wall reverse cycle air conditioner, gas heater, fan and lots of natural light. Perhaps could be a third bedroom. 2 spacious bedrooms with BIR's, master with ceiling fan. Central bathroom with bath, basin & shower. Out the back open floor plan with kitchen, dining & lounge. Kitchen with electric stove & large L shaped bench. Freestanding wood heater, fan & split system for your comfort. Laundry & toilet complete the home. Living space looks out over the spacious backyard and entertaining area. Outside is a covered entertaining space, fernery, garden, water tanks & shedding inside a enclosed smaller yard. Outer area includes chook shed, bird cage, more garden & of course fenced in from huge 4 car garage with filled in pit & internal lockable workshop. Make an appointment to inspect today.
