Thoroughly inspired, this impeccable five bedroom plus office home unites quality, style and space in an outstanding location. Completely compelling, and not yet five years old, it reveals unwavering dedication to excellence throughout. Highlighting high ceilings and spotted gum hardwood floors, it's a true family haven. A versatile external fifth bedroom or retreat complements the main social space: a generous gourmet kitchen, dining and family. Equipped with 900mm Smeg appliances, stunning stone surfaces and soft-close cabinetry, this stylish space flows through an ultra-wide door to an entertainer's deck and landscaped garden. Restful bedrooms host BIRs/a WIR, with the main featuring a fully tiled ensuite. Similarly chic, the family bathroom boasts a freestanding bath. Zoned heating/cooling, double glazing, security features, excellent storage and a double garage, with laneway access, extend comfort and convenience. So close to Coburg Market, Sydney Road, trains, trams, parks and schools, it's the complete package in a locale you'll love.
