This property is set on two separate titles with a combined area of 4053m². Every part of the block is useful with carefully thought out design. 3 bedroom house designed specifically by owner. Front and back veranda. Lovely established gardens with tall trees. The kitchen is well-designed and overlooks the dining area and lounge. The lounge room and 3 bedrooms have carpet flooring. There is an extra room that opens onto the back veranda and could be turned into another bedroom or used as an office or storeroom. The bathroom has a door through to the main bedroom, so doubles as a main bathroom and ensuite. The toilet is separate from the bathroom. The laundry is open on the back veranda - nice and close. The house has 24 solar panels, and a gas stove. Two water tanks, a large garden shed and 2 bay carport. 5-bay 20m x 7.5m shed built extra high (2 bays are closed in, 3 open). 2 stables with yard attached and a large day yard/work area. Good working bore to keep the gardens pristine!! This place has a "homestead" feel about it and you could spend hours on the front veranda enjoying a coffee or 3 and everything is presented VERY NICELY!! Owner keen to move on so call today for a chance to look at this lovely place. Janessa 0429 855 734
