This is your opportunity to purchase a piece of land out of all the Hussle and bustle, just a short 25 minute drive to Toowoomba CBD, 10 minute drive to Toowoomba's own Wellcamp Airport. This flat block is fully fenced and power currently running straight past. If you have been in the market for a block of land to build on and call home, then look no further. This peace of rural living offers separate title blocks which are roughly 2.5 Acres each or why not buy both and add in some extra space. Contact us today!
