Positioned on over half an acre of low maintenance grounds, this 3 bedroom home is furnished, and available with a 12 month lease. Other lease terms may be available by negotiation. The home has a light filled living, kitchen and dining area, that are warmed by the freestanding wood heater. The space has sliding doors out to the concrete patio, and offers views over the garden. The kitchen has electric oven and cooktop, as well as a dishwasher - and a fridge / freezer is provided. The passage leads to three bedrooms, two of which are carpeted. The rooms are furnished with beds, study desks, and two rooms have wardrobes for clothes storage. There is a central bathroom and laundry - which includes a washer and dryer. The finishes in the bathroom are modern, and the toilet is located separately in an adjacent room. Outside, there is a shed area for storage or belongings and wood, though it is partially occupied by some items that are part of the property. The property is on a tank water supply. The home is close to some of the most popular beaches in the area. Pets are being considered on a case by case basis. The property is available late April / early May.
