Discover the very best in easy-care living within 'Old Tewantin. The layout stretches over two levels, offering a flexible design ready for the modern purchaser. Behind the face of this well appointed home, you will find 3 bedrooms, three bathrooms, a dedicated media lounge room that can also be used as a large fourth bedroom. The open plan kitchen, living and dining will be your main hub of the house. Perfect for every occasion, be that relaxing at home or entertaining guests while looking onto the very inviting, heated pool. The natural light and ambience in this space is created through the purposeful placement of windows and glass, partnered with the expansive ceiling height. The low-maintenance backyard means you will have some spare time to work on your 'handicap' and stroke on your very own one-hole putting green. This is a home that will tick most of the boxes now, and well into the future. Providing different spaces for the modern family, an intelligent floor-plan and all within walking distance to the main village of Tewantin and only moments from everything else Noosa has to offer.- A flexible and spacious three-bedroom+, three-bathroom family home- Chic kitchen with a server's pantry and a suite of quality appliances- Multiple living spaces that include a lounge, media room and office- Air-conditioning, ceiling fans, louvre windows and a two-car garage- Heated 8m swimming pool, fully fenced and a solar system installed- Set in a leafy enclave close to schools, shops, cafes and the Marina Rates - approx. \$1,971.50 p.a.
