Situated on approximately 1,480m2 this stunning property will make you the envy of all your family and friends. Beautifully maintained with magnificent surrounds this 3 or 4 bedroom home has multiple living zones, and is also the ultimate for that tradesperson with extra garaging, workshop and storage off Vancouver Close. The large blackwood kitchen with granite benchtops, features stainless steel appliances and a walk in pantry, this is the heart of the home, overlooking the open plan living with gas log fire and dining. Additional features include a rumpus room with a wood fire and built in bar, outdoor alfresco, pizza oven and spa, this is truly a very special family home. Separate formal living room with bay window grace the entrance of the home, along with master bedroom and fourth bedroom or study. The other bedrooms with BIR are serviced by family bathroom and powder room. The extensive garaging cannot go unnoticed, off Highland Way you have a large DLUG, with separate gym/work studio and toilet, which services the alfresco entertaining area. Then the expansive lawns, facing north/west is the perfect location for a pool (STCA) to enhance the spa area. Delightful gardens surround this glorious home, which are impeccably maintained, an inspection will not disappoint.
