Perfectly located between the town and the lake within walking distance to everything Beaufort has offer this property is worth a look.The home has 3 bedrooms, spacious lounge and good size kitchen. The property is good condition however depending on your taste may need a bit of updating.As the property sits on a corner allotment access is via the side street with 2 driveways for easy access for cars, trailers and caravan if required.There is a single garage with workshop, separate garden shed and double carport. The garden is established and well fenced for pets and of course small children.Call today for your private inspection.
