****CONTACT AGENT TO ORGANISE INSPECTION****Rarely do you find a home of this vintage with so many beautiful original features of yesteryear. Thoughtfully renovated to maximize light, space and outlook while retaining the patterned ceilings, colourful leadlights and original timberwork give this home its heart-warming atmosphere. An open plan kitchen with dining flows onto the north-facing lounge room surrounded by picturesque gardens. Relax and enjoy the outdoors or entertain guests in the Tuscan-inspired paved bbq area with goodies from your own vegie and herb garden. All completely private and quiet except for the occasional kookaburra. Located in one of Oatley West's most popular streets with easy level walk to Oatley West school, Oatley Park at the end of the street, as well as the cafes and shopping strip of Mulga Road, makes this the ideal home for all stages of life. Here you'll find a family-friendly neighbourhood with a great community vibe and you'll be more than welcome at the annual street party in this coveted cul de sac. • Full brick with north facing rear aspect • 3 large bedrooms, main with bay window • Large living with a/c, pretty outlook to garden • Well appointed kitchen, stainless appliances • Tuscan-style paved entertaining area & bbq • Seconds to Oatley Park and Oatley West School • Minutes to shops, supermarket, cafes, preschools • Short walk to train station, bus on street corner
